Union Meeting in Wheeling

UNION MEETING!

WE WOULD SUBMIT TO ALL FRIENDS OF our Federal Union in this perilous exigency of its existence, the necessity of giving some expression in reference to the present condition of political affairs.

Surrounded as we are by difficulties and dangers, such as have never before arisen in our past history as a Nation and people, it behooves all who desire to preserve unimpaired the blessings of civil and religious liberty, that by our voice and action we should demonstrate our attachment to the time-honored principles of the Constitution and the patriotic efforts and labors of those who framed it in the comprehensive spirit of freedom.

We would, therefore, suggest to our fellow citizens that no more appropriate day could be chosen for the occasion, that Friday, December 14th, at 7 o'clock P.M., at the Atheaeum, that being the Anniversary of the death of the Father of his Country. Thus the memories which cluster around the day, in view of this fact, will tend to solemnize our hearts while in the engagement of this duty to our country.
